

SUMMARY REPORT FOR RSVP IMDB MOVIE ANALYSIS

After analysing the IMDB database we can draw some points based on the data listed:

- Most likely, a future project could have an average of 107 minutes.
- From the database, we can predict whether Dream Warrior Pictures or National Theatre Live or both could be their next project production company.
- Due to the high rate, James Mangold can be hired as the director of his next project. Based on the average rating, Mammooty or Mohanlal can be hired as an actor for her next project.
- As an international partner, Marvel Studios, Twentieth Century Fox or Warner Bros. can be selected as the number of votes received is relatively high compared to other production houses.
- Based on the number of votes received and the average rating, Taapsee Pannu can be selected as an actor for his next project.
- A total of 1078 movies were produced in 2019 in the 'Drama' genre. Therefore, RSVP movies should focus on the 'Drama' genre in their next project.
- Based on the theme of the vote and the regional feeling, Vijay Sethupathi can be hired as an additional player for his next project.
- Genre types of crime and drama are usually longer duration than other genre-type movies.
- Kirket and Love in Kilnerry are the topmost movies with average rating 10
- Most successful hit movies are produced by 'Dream Warrior Pictures' production company.
